CHIMNEY TOWN Co.,Ltd.

 Created the official lyrics of a rap number for the English workshop production of "Poupelle of Chimney Town," a musical based on the award-winning animated feature film of the same name.

# SUMMARY

Trilingual interpreter with a multicultural upbringing across England, Japan, Korea, and the US, boasting a robust command of vocabulary, particularly in theater and fine arts. Proficient in simultaneous translation between English and Japanese. Skilled in diverse settings, including facilitating conferences between Broadway and Japanese production entities, steering dinner meetings, managing tech conferences, and navigating business proposals. Noteworthy expertise extends to lyrical and interpretive translations, with professional accolades for translating lyrics and scripts for official Japanese productions of Broadway musicals, and vice versa. Additional proficiency in theater and TV script consulting and translations. Demonstrates exceptional interpersonal skills and adeptness in providing culturally nuanced interpretations, crucial for fostering effective communication in high-stakes scenarios.
